

Welcome to our MBI Children and Family Ministry Quarantine Newsletter!  
We seek to support Children and Family Ministry by providing free or inexpensive resources that inspire and educate faith in Jesus.

*"Do you hear what these children are saying?" they asked him. "Yes," replied Jesus, "have you never read, 'From the lips of children and infants you, Lord, have called forth your praise'?" Matthew 21:16*

## BOOKS, CURRICULUM, ETC.

### [Six Considerations For Reopening Your Children And Family Ministry](#)

LifeWay offers six strategies for reopening children and family ministries in light of the COVID-19 pandemic and with consideration to the federal, state, and local guidelines. This article will help ministry leaders to consider the next steps for their ministry strategy, learning environments, teaching resources, policies and procedures, volunteers, and communication skills. To find out more from this resource, visit [here](#).

### [Moody Publishers](#)

Moody Publishers is providing a variety of resources for the whole family during this unexpected season. You will find bible-based short videos, free ebooks, podcasts, and curated content designed to help you through this time. Discover creative activities, strategies for grieving in crisis, tips for sharing Christ with others who are fearful, morning devotionals, and much more with Moody Publishers. For more information, visit [here](#).

## TECHNOLOGY

### [Mr. Phil TV](#)

This source desires to bring faith to life for kids by teaching the Bible through a library of videos. Mr. Phil TV includes media that takes kids through Genesis to Revelation and helps them meet famous historical Christians who have helped shape our world. You also will find devotionals that bring the whole family together to study the books of the Bible. For more information, visit [here](#).

### [A Disabled Woman's Advice for Adults and Teens on Dealing with Cyberbullying](#)

Children and teens are spending much more time on the computer during quarantine and as a result, are more at risk for cyberbullying. This article describes the greater vulnerability of bullying to those with special needs. This resource helps families to consider how to protect children and teens with disabilities through the stewardship of technology. Find out more [here](#).
